

EU regeneration funding summary 1992-2006

Danielle Sinnett

Area	Scheme	Dates	Objectives	Funding EUR millions	Link								
	RECHAR 1	1992-1993	* regenerating areas left derelict by coal-mining, and putting in new facilities to help industry set up and expand; * supporting the development of small businesses; * improving the environment and quality of life in the mining communities; * helping set up and develop local and community initiatives which create jobs; * providing training for new skills for members of the mining communities. The help from the European Regional Development Fund (worth £105.5 million) and the European Social Fund (worth £18.7 million) will be matched by funds from central and local government in the areas concerned, together with an input from the private sector and other regional development organisations. Additional loan finance will be made available to the RECHAR areas from the European Coal and Steel Community and the European Investment Bank. East Midlands (North Nottingham and Derbyshire coalfield area together with the City of Nottingham. It comprises the travel to work areas (TTWAs) of Mansfield, Chesterfield, Worksop, the City of Nottingham and parts of the Nottingham TTWA in Ashfield district. The area contains many mining villages and collieries. Despite this concentration of heavy industry, the east of the area includes Sherwood Forest, Rufford Country Park and Clumber Park, all used extensively for tourism and leisure. Four conurbations together account for 75% of the Objective 2 area's total population of 684,000: Mansfield, Chesterfield, Worksop and the City of Nottingham.)	Objective 2	1994-1996	Priority 1: Research and innovation Priority 2: Strengthening enterprise and indigenous businesses Priority 3: Encouraging diversification of the economy Priority 4: Community economic development	1 £33.39 2 £60.830 3 £90.810 4 £31.630 Technical assistance £1.580 Total £218.240	https://ec.europa.eu/regional_policy/archive/reg_prog/po/prog_148.htm
East Midlands (The area eligible for Objective 2 in the East Midlands for 1997-1999 is unchanged from 1994-1996 and has a population of 684,000. The East Midlands Objective 2 area can be defined broadly as the North Nottingham and Derbyshire coalfield area together with the City of Nottingham. It comprises the travel to work areas (TTWAs) of Mansfield, Chesterfield, Worksop, the City of Nottingham and parts of the Nottingham TTWA in Ashfield district.)	Objective 2	1997-1999	Priority 1. Innovation and New Technologies (promoting the uptake of innovation, human resources development). Priority 2. Strengthening SME development (business support to promote start-up growth, improving access to capital). Priority 3. Area-based regeneration (development of strategic areas for industry and business). Priority 4. Community Economic Development (building capacity and developing community economic opportunities).	35.396 123.645 47.122 74.149 4.154 284.466	https://ec.europa.eu/regional_policy/archive/reg_prog/po/prog_625.htm

East Midlands (In the previous programming period the East Midlands benefited from Objective 2, 3, 4 and 5b funding, as well as from a number of Community Initiatives. A population of 1 459 000 is covered by the Objective 2 area. The area is a mixture of urban and rural areas as well as former coalfield areas. The urban areas consist of Nottingham, Derby and Leicester. The rural areas consist, on the one hand, of parts of the Peak District National Park and surrounding districts in the north west of the East Midlands and north east Staffordshire in the West Midlands, and on the other hand, the West Lindsey, East Lindsey, North Kesteven, South Holland and Boston areas in Lincolnshire. The Objective 2 former coalfield areas comprise Mansfield, Chesterfield and parts of Bassetlaw, Ashfield, Newark and Sherwood, North East Derbyshire and Bolsover.)	Objective 2	2000-2006	Priority 1 : Enterprise and innovation Priority 2 : Climate for investment - strategic development opportunities Priority 3 : Sustainable communities	438.028.000 467.448.700 98.080.000 9.995.000 1.013.551.700	https://ec.europa.eu/regional_policy/archive/country/prordn/details.cfm?gv_PAY=UK&gv_reg=ALL&gv_PGM=137&LAN=7&gv_PER=1&gv_defL=7
East Midlands (The area covers the North Derbyshire- West Nottinghamshire Coalfield and part of the South Derbyshire- North-West Leicestershire Coalfield.)	RECHAR II	1994-1997	The main themes covered are: environmental improvement, construction of new workspace, tourism, access to economic activities, promotion of the SME sector, preserving and developing local community infrastructure to aid regeneration, and vocational training and employment measures.	23.384 21.360 11.530 16.197 4.252 4.252 17.291 1.012 99.278	https://ec.europa.eu/regional_policy/archive/reg_prog/po/prog_203.htm
